INTERNSHIP DESCRIPTION

Each intern will be required to:

- Act as junior instructor under staff supervision, including education of and management of students;
- Drive equipment and 15 passenger vans;
- Create your own salt water or freshwater tank of your choice;
- Design a project to work on throughout your internship and be completed by the end;
- Work as a head instructor in lab under staff supervision during the last week of your internship;
- Fill out an evaluation at the end of your internship experience; and
- Reside in the dormitories at SEACAMP San Diego during your internship.

PREREQUISITES

To be eligible for the internship, the applicant must:

1. Have previously attended SEACAMP San Diego (either Summer or School-year programs);
2. Have a high school diploma, but not yet be finished with college; and
3. Be no younger than 18 at the start of the internship.

It is highly recommended, but not required, for the applicant to be CPR, first aid, and lifeguard certified.

APPLICATION DEADLINE

Completed applications must be postmarked no later than **May 4, 2006** to be considered for the next internship. A phone or personal interview will be required of all finalists.

Have your driving privileges ever been suspended or revoked in any state at any time? _____

Have you ever been convicted of any criminal offenses including than traffic violations? _____

Where did you hear of our internship? _____

Do you have any SCUBA experience, please describe if so? (SCUBA certification is not required for internship.) _____

I, _____, hereby attest that all the above information is true and has been answered to the best of my knowledge.

Signature _____

APPLICATION CHECKLIST

- Application form completed and signed.
- Photocopy of current driver's license.
- Current resume, if available.
- Personal statement which should include why you would like to participate in this program, what three goals you hope to attain as an intern, what you can offer SEACAMP, and what most fascinates you about the ocean and why? (maximum 2 pages, double spaced).

SEACAMP San Diego provides room and board for interns at the camp while working with seacampers. However, board is not included when intern is not working with the group. The intern will need adequate funds to cover extra food, any souvenirs, or other necessary supplies.
